OLC, met with Messrs. John Brady and Robert Boyer, House Foreign Affairs Committee staff. Messrs. Brady and Boyer will be leaving Tuesday on a survey trip for Chairman Morgan through the Far East with stops in Tokyo, Saigon, Vientiane, Singapore, Hong Kong, and Manila. The meeting was an informal question and answer session and was concerned primarily with the current Government structure for handling narcotic problems and dope traffic in Southeast Asia. In response to their earlier request, they were given copies of Agency correspondence with Harper's magazine and Harper and Row publishers concerning the book "The Politics of Heroin in Southeast Asia" by Alfred W. McCoy and with the Cabinet Committee on International Narcotics Control. These documents are for use in briefing the Chairman and will not be utilized in any fashion otherwise without prior consultation with the Agency. FE Division will notify the field concerning the travel. There are no follow-up items to the meeting.

3. (Internal Use Only - JGO) Talked to Mr. David Martin, Senate Internal Security Subcommittee staff, and after consultation with Mr. Colby, changed the time of the meeting between Mr. Colby and General Walt to 7 p.m. Sunday evening.
